

NIR-2009: Breaking the dawn

The 14th International Conference of Near Infrared Spectroscopy

November 7-16, 2009, Bangkok, Thailand

Organized by Kasetsart University, Thailand and Asian NIR Consortium

Web: www.nir2009.com, E-mail: nir2009@naro.affrc.go.jp

Scientific Committee

Agriculture Session

1. Graeme Batten (Sea Spec, Australia)
2. Peter Flinn (Kelspec, Australia)
3. Ana Gorrindo-Varo (University of Cordoba, Spain)
4. Sumio Kawano (National Food Research Institute, Japan)
5. Christian Paul (Federal Agricultural Research Centre, Germany)
6. Ronnarit Rittiron (Kasetsart University, Thailand)

Food Session

1. Tony Davies (Norwich Near Infrared Consultancy, UK)
2. Gerry Downey (Irish Agriculture and Food Development Authority, Ireland)
3. Robert Giangiacomo (Istituto Sperimentale Lattiero Caseario, Italy)
4. Steve Holroyd (Fontera, New Zealand)
5. Busarakorn Mahayothee (Silpakorn University, Thailand)
6. Marena Manley (Stellenbosch University, South Africa)

Pharmaceutical/PAT Session

1. Carl Anderson (Duquesne University, USA)
2. Emil Ciurczak (Cadrai Technology Group, USA)
3. Thorsten Herkert (Roche Diagnostics GmbH, Germany)
4. Tony Moffat (University of London, UK)
5. Garry Richie (Purdue Pharma L.P., USA)
6. Katherine Bakeev (CAMO, USA)

Medical/Life Science Session

1. David Burns (McGill University, Canada)
2. Michael Heise (University of Dortmund, Germany)
3. Mamoru Tamura (Hokkaido University, Japan)
4. Young-Ah Woo (Korea United Pharm., Inc, Korea)

Biology/Environment Session

1. William Foley (The Australian National University, Australia)
2. Diane Malley (PDK Projects, Canada)
3. Manfred Schwanninger (BOKU University, Austria)
4. Anupun Terdwongworakul (Kasetsart University, Thailand)
5. Roumiana Tsenkova (Kobe University, Japan/Bulgaria)
6. Satoru Tsuchikawa (Nagoya University, Japan)

Chemometrics Session

1. Tom Fearn (University College London, UK)
2. Tomas Isaksson (Norwegian University of Life Sciences, Norway)
3. Yi Zeng Liang (Central South University, China)
4. Yukihiro Ozaki (Kwansei Gakuin University, Japan)
5. Vegard Segtnan (Bama Industri AS, Moss, Norway)
6. Thongchai Suwonsichon (Kasetsart University, Thailand)

Networking Session

1. Woody Barton (LightLightSolution, USA)
2. Pierre Dardenne (Walloon Agricultural Research Centre, Belgium)
3. David Funk (USDA, USA)
4. Phil Williams (PDK Projects, Canada)

Spectroscopy/Theory Session

1. Veronique Bellon (Cemagref, France)
2. Donald Dahm (Rowan University, USA)
3. Akifumi Ikehata (National Food Research Institute, Japan)
4. Mitsuhiro Miyazawa (National Institute of Agrobiological Sciences, Japan)
5. Ed and Karen Stark (KES Analysis, USA)

Chemistry/Polymer Session

1. Hoeil Chung (Hanyang University, Korea)
2. Akifumi Ikehata (National Food Research Institute, Japan)
3. Sumaporn Kasemsumran (Kasetsart University, Thailand)
4. Ian Murray (Scottish Agricultural College, Scotland)
5. Heinz Siesler (University of Duisburg-Essen, Germany)
6. David Wetzel (Kansas State University, USA)
7. Hongfu Yuan (Beijing University of Chemical Technology, China)

Instrumental/Imaging Session

1. Volker J. Frost (Buchi Laboratonik AG, Switzerland)
2. Rudolf Kessler (Reutlingen University, Germany)
3. Anders Larsen (Q-Interline, Denmark)
4. Fred McClure (North Carolina State University, USA)
5. Tsuyoshi Miura (Bruker KK, Japan)
6. Karl Norris (Consultant, USA)
7. Siwaluk Pathaveerat (Kasetsart University, Thailand)
8. Richard Streamer (Foss NIRSystems, Australia)
